

In this ever-important election season, it is critical that the campaigning is fair and just. I do not believe that it is fair and just to use supposed non-partisan broadcasting stations for the purpose to promote bias negative propaganda without an equal time to respond. This action snatches democracy right out of the hands of the American people. Please I pray to my faithful members of Congress and the respected FCC, make information fair and help the American people have a just and fair election.
